

The Mint of the United States at San Francisco, Cal.,

COINER'S OFFICE,

Sept. 20th, 1879.

Hon. A. S. Snowden

Supt. U. S. Mint

Philadelphia

Sir:

During the visit of
The Director to this
Mint in July last, he
witnessed the Patent
Coin-Blank Reducer in
operation, and being con-
vinced of the great
advantages to accrue
from its use, he ordered

one for the Phil^a Mint,
which I herewith for-
ward to you with
instructions for setting
up and operating.

Supt. Dodge who is now
in the East will visit
your Mint probably
about the time that
you receive the machine,
and he will be glad to
give any further in-
structions that you
may require regarding
the manner of setting
it up, or the details

of its working.

Very respectfully
Wm. X. O'Leary.

Frank X. Fitt
(Coiner)

Forwards
patent "Coin-
-blank & reduced",
with instructions
for its use.

Recd - Sept. 29th 1879.

[Abstract:] Forwards patent "Coin-blank reducer" with instruction for its use. 734

The Mint of the United States at San Francisco, Cal.,
Coiner's Office,
September 20, 1879

Hon. A.L. Snowden
Supt. U.S. Mint
Philadelphia

Sir,

During the visit of the Director to this Mint in July last, he witnessed the Patent Coin Blank Reducer in operation, and being convinced of the great advantage to accrue from its use, he ordered one for the Phila. Mint, which I herewith forward to you with instructions for setting up and operating. Supt. Dodge who is now in the East – will visit your Mint probably about the time that you receive the machine, and he will be glad to give any further instructions that you may require regarding the manner of setting it up, or the details of its working.

Very respectfully,
Frank X. Cicott
